B. EDUCATION BACKGROUND

- 2017-2021: Bachelor of Business Information and Communication Technology at Mount Kenya University Rwanda.
- 2016-2017: Bachelor of Business Information Technology at Jomo Kenyatta University of Agriculture and Technology Kigali campus.
- 2013-2015: Advanced level secondary education in Mathematics-Chemistry-Biology combination at Groupe Scolaire Mater Dei Nyanza.
- 2010-2012: Ordinary level secondary education at ASPADE Ngororero.
- 2003-2009: Primary education at Groupe Scolaire Kicukiro.

C. KNOWLEDGE, PRACTICAL SKILLS, AND ATTITUDES

- **Knowledge and understanding:** Strong IT knowledge such as networking and programming in different languages (details can be obtained from my GitHub account under username @Pazzo97) and business understanding as I had a chance to practice what I learned at school in different jobs I took while I was still pursuing my bachelor degree and details can be obtained from my transcripts.

- **Computer skills:** I have different skills that concern computers like computer programming languages.
- **Professional attitudes:** Accountability by taking responsibility for my work and actions, act ethically, respect others, self-oriented, creative and quick learner because I believe that there is always a room for improvement.

D. EXPERIENCE

- **December 2017-May 2018:** Part-time worked in my family's shop of Made in Rwanda garments at city center as a cashier and ensuring customers satisfaction.
- **June 2018-July 2018:** Volunteered to translate for the medical team from the USA called Church Mission Networks a non-profit organization that preaches the gospel and make disciples in East African countries Kenya and Rwanda and also, I did translate in medical consultancy for the mentioned team where the team was treating people from rural areas(Kirehe & Bugesera) for free and turn non-believers into Christ believers.
- **February 2019:** Casual worker in BRALIRWA promotion of Fanta in plastic bottles in different places like SIMBA at Centenary house, Kigali butchery supermarket at Nyarutarama MTN center and Ndera region.
- **July 2019-January 2020:** Part-time work in my uncle's supermarket as a cashier.
- **Feb 2020-August 2020:** Academic internship at Rwanda Biomedical Center in Medical Production and Procurement Division as an IT internee and IT support.
- **August 2020-October 2020:** Casual worker at Rwanda Biomedical Center in Medical Production and Procurement Division (now Rwanda Medical Supply) as IT support guy for IT staff reinforcement during Covid-19 where I was providing support in networking and other IT related tasks.
- **March 2022-Present:** Remote Microverse Software development boot camp mastering algorithms, data structures, and full-stack development while simultaneously developing projects with JavaScript, HTML, CSS, React, and Redux, Ruby on Rails. Developed skills in remote pair-programming using GitHub,

industry-standard git-flow, and daily stand ups meeting to communicate and collaborate with international remote developers.

E. COMPUTER SKILLS & LANGUAGES, CERTIFICATES

- **Microsoft packages:** MS Word, MS Excel, and MS PowerPoint.
- **Languages:** Java, JavaScript, HTML, Ruby on Rails.
- **Others:** Node.js and CSS.
- **Certificates:** Fundamentals of java from Pirple, Microverse certificate and badge for Microverse HTML/CSS module, JavaScript, React-Redux and Ruby On Rails.
